

Bug Report

Title: Multiple rooms with same details can be created.

ID: BUG-01

Reported By: Vaibhav S Tanavde

Date: July 28, 2024

Environment:

- **Browser:** Google Chrome 126.0.6478.185
- **Operating System:** Windows 10
- **URL:** https://automationintesting.online/#!/admin

Description: Multiple room with same details (roomNo, Type, Price) are created. This prevents user from knowing which room belongs to them.

Steps to Reproduce:

1. Open Google Chrome and navigate to https://automationintesting.online/#!/admin.
2. Enter valid credentials in the "Username" and "Password" fields.
3. Click on the "Login" button.
4. Enter room details (roomNo, Type, Price).
5. Click on "Create" button.
6. Repeat Step 4 for new room with the same values used in step 4 to create room.
7. Click on "Create" button.

Expected Result: The user should be shown an error message like "Room already exists".

Actual Result: When "Create" button is clicked, multiple rooms with same room details are created.

Attachments:

- **Screenshot:**

The screenshot shows the 'B&B Booking Management' interface. At the top, there are links for 'Rooms', 'Report', and 'Branding'. The main header is 'B&B Booking Management' with a notification icon and links for 'Front Page' and 'Logout'. Below the header is a table with the following columns: 'Room #', 'Type', 'Accessible', 'Price', and 'Room details'. The table contains two identical rows: Room # 106, Type Single, Accessible true, Price 600, and Room details WiFi, TV. To the right of the table are two 'x' icons. Below the table is a form with input fields for 'Room #', 'Type' (a dropdown menu), 'Accessible' (a dropdown menu), and 'Price'. There are also checkboxes for 'WiFi', 'TV', 'Radio', 'Refreshments', 'Safe', and 'Views'. A 'Create' button is located at the bottom right of the form.

Room #	Type	Accessible	Price	Room details
106	Single	true	600	WiFi, TV
106	Single	true	600	WiFi, TV

☒ WiFi ☒ TV ☐ Radio ☐ Refreshments ☐ Safe ☐ Views

Additional Information:

- The issue is also reproducible in Firefox 128.0.3 and Microsoft Edge 126.0.2592.113.

Severity: High

Priority: P1
